A photograph of a park bench in autumn. The bench is made of dark brown wooden slats and is partially covered with fallen yellow and orange leaves. The ground around the bench is also covered in a thick layer of these leaves. In the background, there are several trees with bare branches and some remaining yellow leaves. The lighting is soft, suggesting a late afternoon or early morning setting. The overall mood is peaceful and nostalgic.

e di emozioni

A close-up photograph of a large tree trunk in an autumn forest. The trunk is heavily covered in vibrant green moss, contrasting with the surrounding ground covered in fallen brown leaves. The tree's bark is partially visible at the top, showing a light, textured surface. The scene is filled with the textures of moss, wood, and autumn foliage.

A large, white mushroom with a fringed edge is the central focus, growing in a forest of pine needles. The mushroom has a thick, white stem and a wide, flat, white cap with a delicate, lace-like fringe around its edge. The surrounding ground is covered in a dense layer of dry, brown pine needles and small twigs. The background is softly blurred, showing more of the forest floor. The text is overlaid on the mushroom in a bold, orange font with a white outline.
